CHARLES "CHAS" HARRISON KIRKWOOD

Charles "Chas" Harrison Kirkwood, 34, of Norfolk, Virginia was born on September 8, 1977 and passed away at his home on Monday, November 14, 2011. Chas graduated from Maury High School in 1996 and completed culinary training at the Culinary School of the Rockies in Boulder, Colorado in 2001. He was an exceptional chef with a passion for gourmet food, which he most enjoyed cooking for his friends and family. Chas was an avid outdoorsman and enjoyed traveling and exploring new countries. His favorite activities were seeing and listening to music, golfing, tele-skiing and surfing.

WE MISS YOU SO MUCH AND KNOW THAT YOU ARE SMILING DOWN ON US EVERY DAY, ENCOURAGING US TO LIVE LIFE WITH THE SAME PASSION AS YOU DID AND REMINDING US NEVER TO STOP CHASING OUR DREAM

WHAT IS THE CHAS FOUNDATION ALL ABOUT ?

MENTAL ILLNESS AFFECTS 1 IN 4 PEOPLE

The 8th Annual Chas Foundation Golf Classic is dedicated to the memory of Charles "Chas" Kirkwood with the goal of supporting those who suffer from mental illness. Mental illness affects 1 in 4 people, making it vital that we draw awareness, erase the stigma, and push for change in relation to how mental illness is treated throughout our communities. Unlike any other disease, it is the only illness without a protocol for treatment. Below is a list of milestones and current projects:

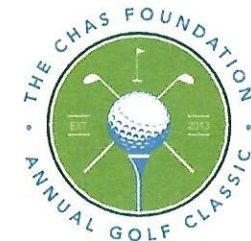

- Executive Director designated instructor for Norfolk Police Department's Crisis Intervention Team
- Developed Online Mental Health Family Resource Guide for Website
- Identification of Gaps in Mental Health Treatment in Hampton Roads
- Anti-stigma Campaigns including Billboards and Public Service Announcements
- Provide Clothing and Toiletries for the Crisis Stabilization Center
- Participate in ongoing collaborations with EVMS, CHKD, NAMI, and Local Nonprofits
- Funding for the CHKD REACH program to train pediatricians to treat mental illness
- Development of Mindfulness Program
- Participated in Mental Health Task Force and Focus Groups
- Mental Illness Navigator Support (MINS) Program for families in crisis and continuum of care through referrals (treatment providers, housing, police, courts, jails)
- Speaker's Bureau and Education for community awareness

Proceeds from this event will allow The Chas Foundation to continue its growth and provide assistance within our communities.

In Remembrance of Graham Alley
